INSTALLATION NAME	GEO COORDS	FUNCTION
Shanghai Suspect SIGINT Facility, China	31-12-15N 121-21-00E	HF/DF
	WAC BE NO NPIC NO	
	0492 None 28-V6	

LOCATION

6 nm SW of Shanghai

MAP REFERENCE

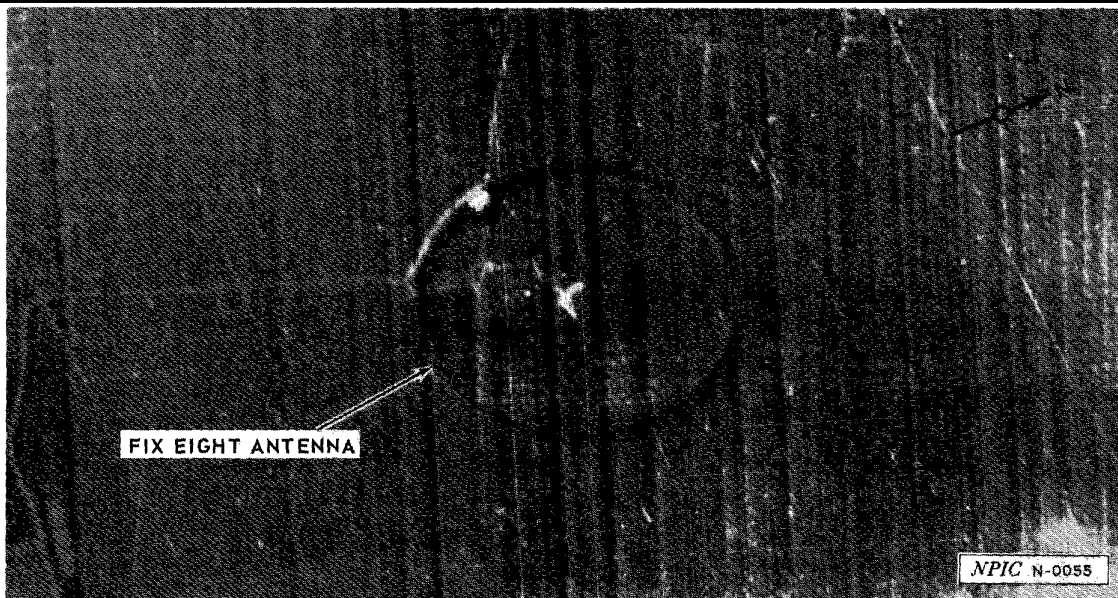

USATC, Series 200, scale 1:200,000

REQUIREMENT
NSA/SOC/R96-68NPIC PROJECT
11399BB/67

Basic Operational Components:

1. FIX EIGHT antenna

IMAGERY ANALYSIS: The FIX EIGHT antenna is 0.5 nautical miles (nm) northeast of Shanghai/Hungchiao Airfield, and may be used as a navigational aid. The fence diameter is approximately 195 feet. The building in the center of the circle is approximately 15 by 10 feet. The facility is served by a secondary service road and does not appear to be directly connected to an HF facility approximately 1.2 nm southeast.
